

THE ROYAL BURGH OF ST ANDREWS COMMUNITY COUNCIL

12th November 2014

Attention: Ms. Fiona Kirk,
Development Central
Enterprise, Planning and Protective Services
Fife Council

Dear Ms. Kirk,

**14/03564/ADV - Display of one externally illuminated fascia sign
The Victoria 1A St Marys Place St Andrews Fife KY16 9UY**

The Royal Burgh of St. Andrews Community Council (hereinafter "StACC") is registering an OBJECTION to the above planning application.

While the StACC acknowledges that the proposed signage for The Victoria is a lot better than the current signage, the StACC still objects to the proposed sign for the following reasons:

1. The mounting rails included on the current sign and the proposed sign are inappropriate within the Conservation Area of the burgh.
2. The amount of lettering proposed for the sign is too much in relation to the other surrounding commercial properties. Simply identifying the business and its' main function should be sufficient.

Therefore the StACC still OBJECTS to the signage proposed for The Victoria.

Please acknowledge safe receipt of this letter.

Yours sincerely,

Howard Greenwell
Chair
