6 Licensing Applications - none

7 Items for noting or action:

a	Kenly Cable	- recent decisions were noted
b	Cllr Lothian Letter	- replies are being drafted
c	Abbey Park	- A Planning Application is awaited
d	Aarhus Convention	- PU has written to Mr Stephen Gethins MP expressing concern that the Scottish Government is apparently not complying with the convention
e	Plan for Fife	- PU has written to Fife Council expressing concern that this document has emerged so soon after the publication and approval of the Fife Plan
f	TV screen	- it was agreed that CM would take to the full Council the proposal that, with the agreement of officers of the Student Association, a suitable TV screen be provided for our regular Meeting Room in the Students Union so that the Planning Laptop can be plugged directly into it and maps, plans etc can be satisfactorily displayed without the intermediate use of a data projector, something which, for various reasons, is proving more and more unreliable and unsatisfactory for our needs
g	Western Extension Traffic	- general discussion took place on this topic

8 AOCB - none
